

Fibrous - Terms and Conditions

Terms and Conditions

By accessing or using our platform, you agree to be bound by these Terms and Conditions. Please read them carefully.

Acceptance of Terms

By connecting your wallet, clicking "accept," "agree," or any similar confirmation, or by using any part of the platform or interacting with the protocol, you confirm your acceptance of these Terms and represent that you have the legal authority and capacity to enter into this agreement. If you are using the platform on behalf of an entity, you confirm that you have authority to bind such entity to these Terms.

1. Legal Entity and Jurisdiction

Fibrous is operated by Nixtech B.V., a company registered in the Netherlands with its registered address at:

Nixtech B.V., John M. Keynesplein 10, 1066EP Amsterdam, The Netherlands

Email: info@nixtech.nl / caner@nixtech.nl

These Terms are governed by and construed in accordance with the laws of the Netherlands. Any disputes arising out of or in connection with these Terms shall be submitted to the exclusive jurisdiction of the Dutch courts.

2. Service Description

Fibrous is a decentralized exchange (DEX) aggregator. Our platform allows users to execute token swaps by aggregating liquidity from multiple decentralized exchanges. Fibrous does not hold or access user funds at any time. All transactions are executed directly by the user via their connected wallet. Fibrous is designed to operate across multiple blockchain networks.

3. No Financial Advice & Risk Disclaimer

Fibrous is a technology platform and does not provide investment, financial, or trading advice. All content and services are provided "as is" without warranties of any kind. Users are solely responsible for their actions and understand that engaging with DeFi protocols involves financial risk, including the potential loss of funds. Fibrous shall not be held liable for any loss or damage arising directly or indirectly from the use of our platform.

4. Data Privacy

Fibrous does not collect personally identifiable information. However, we use Google Analytics to analyze usage data to improve the platform. By using the service, you consent to the processing of this data. Fibrous complies with all

Fibrous - Terms and Conditions

applicable data protection regulations, including the GDPR.

5. Eligibility

You must be at least 18 years old or the age of majority in your jurisdiction to use Fibrous. By accessing the platform, you confirm that your use is in compliance with all applicable local laws and regulations in your jurisdiction and that you have the legal capacity to enter into this agreement.

6. Acceptable Use

Users agree not to use the platform for any unlawful, harmful, or abusive purpose. We reserve the right to restrict or terminate access to any user at our discretion without notice, in cases of system abuse, security risks, or other violations.

7. Termination and Modification

We may modify or discontinue, temporarily or permanently, any part of the platform at any time without prior notice. We also reserve the right to update these Terms and Conditions periodically. It is your responsibility to review them regularly.

8. Contact

If you have any questions or concerns regarding these Terms, please contact us at info@nixtech.nl.

9. Third-Party Services and Smart Contracts

Fibrous interacts with various decentralized protocols and third-party smart contracts to facilitate its services. These integrations are outside of our control and may be subject to change, bugs, or vulnerabilities. We do not guarantee the performance or security of third-party services and are not responsible for any issues arising from their use.

10. Intellectual Property

All content on the Fibrous platform, including but not limited to brand names, logos, visual design, and software code, is considered proprietary content of Fibrous or its licensors. Unauthorized use, reproduction, or distribution of any material from the platform is strictly prohibited.

11. Token Listings / Integration Disclaimer

The presence of a token or decentralized protocol on the Fibrous platform does not imply endorsement, approval, or recommendation. Users should exercise caution and conduct their own due diligence before interacting with any asset.

Fibrous - Terms and Conditions

12. Force Majeure

Fibrous shall not be held liable for any delay or failure in performance resulting from causes beyond its reasonable control, including but not limited to acts of God, war, terrorism, internet outages, blockchain network failures, regulatory actions, or third-party service disruptions.

13. Wallet Connection & Security

By using Fibrous, you connect your own self-custodial wallet. You are solely responsible for the security of your wallet and private keys. Fibrous has no access to user wallets or ability to intervene in wallet interactions. Users must verify the legitimacy of all interactions and signatures requested by the platform.

14. Hyperlinks

The platform may contain links to third-party websites or resources. Fibrous is not responsible for the availability, accuracy, or content of such external sites and does not endorse any third-party services.

15. Severability and Non-Waiver

If any part of these Terms is deemed invalid or unenforceable, the remaining sections shall remain in full force and effect. Failure by Fibrous to enforce any provision of these Terms shall not be considered a waiver of its right to enforce such provision in the future.

16. Compliance with Laws

You agree to use the platform in compliance with all applicable laws, regulations, and industry standards, including but not limited to those relating to anti-money laundering (AML), counter-terrorism financing (CTF), anti-corruption, data protection, and economic or trade sanctions laws (including those imposed by the United States, the European Union, the Netherlands, and other applicable jurisdictions).

17. Dispute Resolution

These Terms are governed by and construed in accordance with the laws of the Netherlands. Any dispute arising out of or in connection with these Terms shall be submitted to the competent courts of Amsterdam, the Netherlands, unless otherwise required by applicable law. If both parties agree, such dispute may alternatively be settled by arbitration in accordance with the rules of the Netherlands Arbitration Institute.

Fibrous - Terms and Conditions

By continuing to use Fibrous, you acknowledge that you have read, understood, and agreed to these Terms and Conditions.
